

Agreement

National Council for Public Private Partnership of the United States (thereafter NCPPP) and Academic Foundation Toyo University (thereafter Toyo University) have entered into this agreement for the promotion of PPP activities in Japan and the United States on 27th day of September month of 2007.

NCPPP has been promoting the advancement of the PPP activities in the United States and has developed good amount of experiences, professionals and the data of PPP.

Toyo University has established its PPP Graduate School within its Economics Department in the spring of 2006 and has been promoting the advancement of the PPP activities in Japan.

Therefore, NCPPP and Toyo University agree to promote jointly the advancement of the PPP activities in Japan and the United States and agreed on the following activities.

- (1) NCPPP and Toyo University agree to provide and exchange information for the advancement of the PPP activities in Japan and the United States.
- (2) NCPPP will support, advice and exchange information for the Toyo University's effort for the advancement of the PPP activities in Japan.
- (3) NCPPP agrees to support the annual PPP Forum, which is organized by Toyo University in Japan by providing the advice and recommendation of possible speakers for the Forum.
- (4) Toyo University and its faculty will become the academic members of NCPPP and intend to attend and support the activities of NCPPP in the United States.
- (5) Two parties agree that each party has no financial obligation for the support of the activities for the other.
